

2017-2018 TUITION AND FEES

**THINK YOU CAN'T AFFORD A QUALITY CHRISTIAN EDUCATION?
THINK AGAIN!**

Unity Christian School Offers Variable Tuition!

With Variable Tuition, each family's tuition rate is matched to their unique financial position. Based on a confidential, one-page financial profile submitted online to a third party site, our Variable Tuition Team confirms your unique tuition. Tuition at Unity Christian School is not a "One Size Fits All." It's a range, a range that spans from about 40-80% of the full cost, where applicable. With the support of generous donors and supporting activities like our annual candy bar sales and various fundraising activities, we can adjust a family's tuition according to what they are able to pay. Although rates increase from year to year, please make sure that your family takes advantage of variable tuition so that we can set a rate that your family can afford, and you can continue to give your children the gift of a quality Christian Education!

You may apply for variable tuition online at www.ucswarriors.com

Financial Obligations

Contractual Financial Obligations

After June 30, 2017, parents are responsible for tuition for the entire school year. If the school receives written notice of withdrawal by hand delivery or by certified or registered mail on or before June 30, 2017, parents will forfeit only the non-refundable registration fee. If a student withdraws after June 30, 2017, parents have an unconditional contractual obligation to pay the total annual charges for tuition.

Fundraising Obligations

As a private school, we strive to keep costs as low as possible. One way to do this is to offer fundraising opportunities throughout the year, such as our annual candy bar sale. *Each family is responsible to sell one box of candy bars.* We also ask parents to volunteer to assist with at least one of our annual fundraisers during the year. More information will be available at orientation.
