## **LETTER FROM THE ADMINISTRATION & SCHOOL BOARD**

### **2024-2025 School Year**

Welcome to Unity Christian School!

As parents, we have the primary responsibility for the education of our children. UCS considers it a privilege to be in partnership with families - not usurping the responsibility or authority of Mom and Dad, but working together to provide the best in academics, environment and extra-curricular activities.

We commit to you to provide:

1. Academic excellence
2. A well-disciplined environment, conducive to learning
3. A spiritual foundation, consistent with the values you are instilling at home
4. A place where your children are loved

As a partner, you will find that our facility is dedicated to instilling the Lordship of Jesus Christ in our students. Our Mission Statement guides all of our activities and our leadership is committed to integrity.

We are excited to be a part of the process that God is using to raise up the next generation of Kingdom leaders. No matter what the vocational ambition of our students, the Lord can greatly use them as they discover their spiritual gifting and seek to follow Him in all their ways.

### **UNITY CHRISTIAN SCHOOL MISSION STATEMENT**

**TO AID AND SUPPORT CHRISTIAN FAMILIES IN EDUCATING STUDENTS FROM A BIBLICAL PERSPECTIVE AND TO EQUIP THEM WITH THE REQUISITE KNOWLEDGE, SKILLS, AND VALUES SO THAT THEY MIGHT INFLUENCE CULTURE AND SOCIETY FOR CHRIST**

### **PHILOSOPHY OF UNITY CHRISTIAN SCHOOL**

The educational philosophy of Unity Christian School is based on a God-centered view that all truth is God's truth, and that the Bible is the inspired and the only infallible, authoritative Word of God which contains this truth. God created all things and sustains all things. Therefore, the universe and man are dynamically related to God and have the purpose of glorifying Him. Because man is a sinner by nature and choice, he cannot, however, glorify or know God. He can do this only by choosing God's free gift of salvation through His Son, Jesus Christ, thereby committing his life to the Lordship of Jesus Christ.

Our aim socially is to provide a Christian perspective on the total world view from which will come a balanced personality and a proper understanding and acceptance of a person's life at

home, at work, at play and at worship, all grounded in the Christian concept of love.

This philosophy channels our energies to promote high academic standards while helping the students to achieve skills in creative and critical thinking using the best integrated curriculum available. The objective of our instructional program is to enable the student to pursue the post-secondary education of his choosing, whether in college, university or in vocational training areas.

Our responsibility for the student encompasses the spiritual, mental, intellectual, physical, social and emotional areas. These are inseparable and through them runs the insistent thread of the spiritual. Therefore, it must be our aim to shun the tendency to teach the Bible compartmentally or on the intellectual level alone, the scarlet thread must be woven throughout the total curriculum.

It is apparent, then, that the types of activities we employ or permit in the classroom or school program would either facilitate or militate against our basic philosophy. ***The spiritual must permeate all areas, else we become textbook oriented rather than student oriented.***

This philosophy dictates that we cooperate closely with parents in every phase of the student's development, always offering assistance in understanding the purposes of Unity Christian School.

## **PURPOSE OF UNITY CHRISTIAN SCHOOL**

The purpose of Unity Christian School shall be to provide a quality education without compromising the Word of God. This purpose calls for development in the following areas.

### **I. Spiritual**

To present the basic tenets of Christianity.

To seek to win to Christ those who are uncommitted.

To educate students so that they successfully integrate Christian philosophy, which includes: compassion, fairness, justice, mercy, generosity, and service to others, into their lives.

To teach our students that the Bible is the Word of God and the guide for all areas of life.

To demonstrate an understanding and commitment to Christ through a personal, life-long and transforming relationship with Him.

To teach students that there is Absolute Truth and encourage them to be truth seekers in all areas of life.

### **II. Intellectual**

To provide an academic climate conducive for learning.

To encourage the learning of necessary skills required for meaningful participation in society as an adult.

To nurture competency in communications and research skills in order to make mature, responsible decisions.

To aid the home in developing good study habits, the ability and the desire to continue the process of learning after school, and in being self-supporting as adults.  
To demonstrate proficiency in all grade level curricular areas.

### III. Social/Cultural

To provide students with opportunities for growth in the social skills required for adequate interaction in society.

To enable students to adequately understand and appreciate the privileges and responsibilities of living in a democracy.

To encourage students to demonstrate integrity and respect for others.

### IV. Physical

To provide opportunities for the growth in physical performance skill.

To provide opportunity for the learning of physical skills necessary to participate in sports.

## STATEMENT OF FAITH

1. **We believe** the Bible to be the inspired, the only infallible, authoritative, inherent Word of God. (II Timothy 3:15, II Peter 1:21).
2. **We believe** there is only one God existent in three persons - Father, Son and Holy Spirit (1 John 5).
3. **We believe** in the deity of Christ (John 10:33), His virgin birth (Isaiah 7:14, Matthew 1:23, Luke 1:35); His sinless life (Hebrews 4:15, 7:26); His miracles (John 2:11); His vicarious and atoning death (I Corinthians 15:4); His ascension to the right hand of the Father (Mark 16:19); His personal return in power and glory (Acts 1:11, Revelation 19:11).
4. **We believe** in the absolute necessity of regeneration by the Holy Spirit for salvation because of the exceeding sinfulness of human nature, and that men are justified on the single ground of faith in the shed blood of Christ and that only by God's grace and through faith alone we are saved (John 3:16 - 19, 5:24, Romans 3:23, 5:8 & 9, Ephesians 2:9 & 10, Titus 3:5).
5. **We believe** in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation (John 5:28 & 29).
6. **We believe** in the spiritual unity of believers in our Lord Jesus Christ (Romans 8:9, I Corinthians 12:12 & 13, Galatians 3:26 - 28).
7. **We believe** in the present ministry of the Holy Spirit by whose indwelling the Christian

is enabled to live a godly life (Romans 8:13 & 14, I Corinthians 3:16, 6:19-20, Ephesians 4:30, 5:18).

8. **We believe** that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God (Genesis 1:26, 27). Rejection of one's biological sex is a rejection of the image of God within the person.  
**We believe** that the term "marriage" has only one meaning: The uniting of one man and one woman in a single, exclusive union, as delineated in Scripture (Genesis 2:18-25).  
**We believe** that God intends sexual intimacy to occur only between a man and woman who are married to each other through Christian marriage (I Corinthians 6:18; 7:2-5; Hebrews 13:4).  
**We believe** that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ (Acts 3:19-21; Romans 10:9, 10; I Corinthians 6:9-11).  
**We believe** every person must be afforded compassion, love, kindness, respect and dignity (Mark 12:28-31; Luke 6:31). Hateful and harassing behavior or attitudes directed toward any individual is to be repudiated and is not in accordance with scripture.
9. **Final Authority** for Matters of Belief and Conduct: The Statement of Faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of UCS's faith, doctrine, practice, policy, and discipline, our governing Board of Directors is UCS's final interpretive authority on the Bible's meaning and application.
10. **We believe** that all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including pre-born babies, the aged, the physically or mentally challenged, and every other stage or condition from conception through natural death. We are therefore called to defend, protect and value all human life (Psalm 139).

## **STUDENT GOALS AND STANDARDS**

1. Recognizing Jesus as my standard, and His Word as the supreme standard of all wisdom and knowledge, it is my aim to develop myself accordingly, realizing that as I seek first His kingdom and righteousness all these things shall be added. (*Hebrews 12:1-2, James 1:5-6, I Peter 1:24, I John 2:5-6, I John 5:3-5*)
2. I will endeavor to follow the will of God for my life and to exemplify Christ-like character through daily personal prayer and consistent study of the Word of God and through faithful group worship both at school and church and in my conduct and treatment of others. (*Matthew 7:7-11, James 1:22, I Peter 1:13-16, II Peter 1:10-11, Galatians 4:7, Ephesians 4:29-32.*)
3. I will apply myself to my studies and endeavor to develop the full powers of my mind in

Christ. (*Luke 2:52, Philipians 2:5, I Corinthians 1:5*)

### **ADMISSIONS POLICY**

### **Academics/Probationary policy**

\*Unity Christian School is currently not equipped to serve children with physical, emotional, behavioral, or learning disabilities that cannot function in a regular classroom setting.

\*Acceptance is dependent upon receipt and review of academic information from the former school as well as a review of any disciplinary issues that may have existed previously.

\*Unity Christian School reserves the right to dismiss any student on the grounds that the student or their parent/legal guardian does not respect the spiritual standards of the school or cooperate with the educational program. \*There is a minimum of a 3-day waiting period after initial application before starting classes at UCS.

### **ATTENDANCE POLICY** **Elementary Campus - 8:05 – 3:00** **Pre-K Campus 8:05 – 2:45**

Students are expected to be in attendance for classes. When a student fails to attend school for any reason, parents are to notify the school office by 9:00 a.m. on the day of the child's absence. If a parent does not call, it will be assumed the parent is not aware of the absence and will be notified by telephone of their child's absence. Parents are asked to cooperate with the school by calling when a student is going to be absent.

When a student is absent from school it will be recorded in the school office.

Lunch time is the guideline for calculating half-day absences for grades 1<sup>st</sup> – 8<sup>th</sup>. Elementary students will be counted absent if signed out before 9:00 a.m. or present a full day if at school by 9:00 a.m. Elementary students will be counted present a full day if signed out at 2:45 p.m. or later.

It is the responsibility of the student and/or parent to obtain homework assignments, see that all assigned work is turned in, and/or to make special arrangements concerning assignments with the teacher for a prolonged absence. Any student missing over 30 days in one year is subject to retention.

### **EXCUSED AND UN-EXCUSED ABSENCES**

#### **Excused Absences**

Students will have six (6) parental approved absences per semester. The parent must contact the school office in writing or by phone to indicate the reason for the child's absence. An absence must be approved by the parent for one of the following reasons:

1. Sickness - personal or immediate family
2. Death in the family
3. Emergency situations
4. Medical or dental appointments
5. Religious Functions
6. Special needs

If your student is absent more than six (6) days or six (6) times in a single semester, the absence must be excused by the attending physician. All other absences will be considered un-excused unless otherwise approved by the administration.

For an excused absence, a student may make up classroom assignments, quizzes, or tests. All pre-scheduled tests should be made up at the convenience of the teacher no later than two (2) school days after a student's return. Any work not completed in two (2) days will be counted as a zero (0) unless special arrangements have been made with the teacher and/or principal. The accountability for missed material due to an absence lies with the student and parent.

### **Un-excused Absences**

In the case of an un-excused absence, a student will not be allowed to make up missed work and will receive a zero (0). Excessive absenteeism could result in a conference with the Administrator and/or School Board. If the problem continues, it could result in suspension or even expulsion.

## **TRUANCY**

**Truant** – a "truant" is defined as a child subject to compulsory school attendance and who is absent without valid cause from such attendance for a school day or portion thereof. "Valid cause" for absence shall be illness, observance of a religious holiday, death in the immediate family, family emergency, and shall include such other situations beyond the control of the student as determined by the principal and/or board of education, or such other circumstances which cause reasonable concern to the parent for the safety or health of the student.

**Chronic** – "Chronic or habitual truant" shall be defined as a child subject to compulsory school attendance and who is absent without valid cause from such attendance for 10% or more of the previous 180 regular attendance days. The required attendance laws of the State of Illinois mandate that any student who has not reached his/her seventeenth birthday must be enrolled in school. When attendance and tardiness problems are frequent enough to warrant serious concern, parents will be contacted for assistance in resolving the problem. Parents are encouraged to contact the school office when they have problems and questions regarding attendance and tardiness.

## **MAKE-UP WORK**

The accountability for missed materials due to an absence lies with the student and parent. As soon as a student returns to school after an absence, arrangements with teachers to make up missed work should be made. Following is a list of rules regarding incomplete work.

1. Teachers will set a deadline for making up work (usually the number of days absent). Work not completed by the deadline set by the teacher will result in a zero (0).

2. In the case of an un-excused absence, a zero (0) will be averaged in with the quarter grades for work missed. However, the student must make up all work missed during the duration of an absence.
3. Any student who has been suspended from school will receive a zero in their classes on the day(s) of suspension.

### **VISITOR POLICY**

During school hours, all visitors, including recess monitors, volunteers, etc. must enter and exit in through the main office to sign in and out. Visitors will be given a badge that must be worn while on site. To maintain safety and account for everyone on site this will also include staff family members. All visitors must leave the premises upon completion of their task.

### **TARDY**

Students are expected to be on time for school and classes. A tardy pass from the school office will be required for any student who is late for school. A student will not be allowed to enter a class without one.

When a student is late arriving at school, he/she must report to the school office to receive a tardy pass. Students are not to go to a classroom without checking in the office first. If excessive tardiness continues, the parents will be contacted by the principal and or school board.

***Daily school attendance is 8:05-3:00***

#### **Pre-K Tardies**

The Pre-K department has a limited amount of instruction/classroom time and must hold parents accountable for their student's presence in school by 8:05 a.m. Tardies will accumulate for each quarter. At 3 tardies, the student will be issued a school disciplinary referral that must be signed and returned by the student's parent(s). The school disciplinary referral will be attached to the student's permanent record. At 4 tardies, parents will be charged a \$10 fee for each tardy thereafter, to cover the cost of lost classroom instruction time.

#### **Elementary Tardy - Grades K5-8**

Tardies will accumulate for each quarter. At three (3) tardies, the student will begin losing break or recess privileges in order to make up any work missed. After six tardies, students will begin serving a ½ hour after-school detention for each additional tardy in that quarter with a \$10 fee assessed to the parent for each detention served to cover the cost of a detention supervisor.

### **BEFORE CARE AND AFTER CARE**

Students arriving at school between 7:00 and 7:45 a.m. and/or remaining at school after 3:30 p.m. will be charged an hourly fee of \$4.00 for extended care. Any child NOT picked up by 5:30 p.m. will be charged at the rate of \$8.00 per hour. All fees will be figured on hourly intervals.

## **LEAVING SCHOOL GROUNDS**

Any time a student leaves school, for whatever reason, he/she must sign out in the school office. UCS be able to account for all students at any given time during the course of the school day.

Parents wishing to sign a student out must come by the office to do so. The secretary or office personnel will get your child. Please do not go to a classroom without authorization. Not only does this interrupt a teaching lesson, but for the safety of your child, it could prevent those not authorized to remove your child from the school grounds from doing so. Parental cooperation is extremely important in this area.

Students will not be excused from the building without an advanced written request from a parent or by the parent coming to the building to do so in person. Written authorization to leave must be on file in the school office. A student cannot leave with another student during the day unless arrangements have been made with the Principal's office in advance. After a student has signed out for the day, they are to leave the school grounds and not return that day unless arrangements have been made to do so.

## **BAD WEATHER SCHOOL CLOSINGS**

Announcements of school closing in bad weather will be made on the following stations:

WSIL (Channel 3), KFVS (Channel 12), WPSD (Channel 6)  
School closing will also be communicated through the school phone messaging system.

## **BOY-GIRL RELATIONSHIPS**

Boys and girls shall be expected to exercise restraint in their personal, social relationships. Examples of physical contact, such as, but not limited to, holding hands, embracing, kissing, and seeking spots of seclusion during school hours and/or school related events, will be considered unacceptable behavior and inappropriate.

## **DISCIPLINE POLICY**

At Unity Christian School, self-control and responsibility are encouraged through rewarding acceptable behavior and through actions against irresponsible behavior. Despite efforts to channel behavior in desired directions, there are occasions where a student develops a pattern of disruptive behavior which creates an undesirable atmosphere in the school and which inhibits learning. Any activity that prevents other students the right to learn is called undesirable.

UCS has a minimum of rules; where there are rules, these are considered necessary for safety and cooperative activity. Repeated disrespect for these rules will result in a notice to the parents where efforts to get the student to cooperate are ineffective and the student may be placed on probation.

Suspension and ultimate expulsion could result if the parents are unable to correct the situation with the school staff and if the student's attitude is such that it deems it best for the situation.

UCS expects full cooperation from the home in matters of discipline as well as in all matters. This MUST be a team effort, and only when the school and the home work together can the goals set for our students be realized. Discipline in the home and in the school must be synonymous in order for it to be effective.

Students are responsible to every staff member for their conduct at all times. Respect and obedience is expected at all times from each student enrolled at UCS.

Disciplinary action may be taken against any student guilty of gross disobedience or misconduct.

### **Scope of Disciplinary Action**

The scope for disciplinary action applies whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On school grounds before, during, or after school hours and at any other time when the school is being used by a school group;
2. Off school grounds at a school activity, function, or event;
3. Traveling to and from school or a school activity, function, or event, or:
4. Anywhere, if the conduct may reasonably be considered to be a threat or an attempted intimidation of a staff member, or an interference with school purposes or an educational function.

### **Delegation of Authority**

Each teacher, and any other school personnel, when students are under his or her charge, is authorized to impose any disciplinary measure, other than in-house suspension, school suspension or expulsion, which is in accordance with the policies and rules on student discipline. Teachers may use reasonable efforts to remove a student from a classroom for disruptive behavior.

The administration is authorized to impose the same disciplinary measures as teachers and may suspend students of gross disobedience or misconduct from school (including all school functions) provided the appropriate procedures are followed. The administration may deviate from prescribed discipline by weighing other factors such as level of cooperation, overall student history or prior disciplinary infractions.

The School Board, upon recommendation from the administration, may expel students for the remainder of a school term or for a shorter period as determined by the board.

## **Detention**

Disciplinary Referrals (white slips) are issued by teachers and/or staff for inappropriate student behavior. These forms are sent home to the student's parents. Withdrawal of privileges and/or detention could result if a student's behavior does not improve. Detention will typically be served after school and parents will be charged at a \$20 per hour rate.

Level I detentions, as outlined in the Disciplinary Code, will be issued by the faculty or staff.

Level II and III detentions may be issued by the faculty, staff, and/or administration. Any detention time incurred over two hours in a single semester will result in a one-day (1) in-house suspension.

## **In-School Suspension**

In-house suspension is the exclusion of a student from classes and all activities for a day with the student serving the suspended time at school under the supervision of the administration.

Any test, quizzes, and/or homework grades received during in-house suspension will be counted as a zero (0) and the student will not be allowed to make up the missed work.

## **Out-Of-School Suspension Procedures**

1. Before suspension, the student shall be provided notice of the charges. If the student denies the charges, the student shall be given an explanation of the evidence and an opportunity to present his/her version.
2. Prior notice is not required and the student can be immediately suspended when the student's presence poses a continuing disruption to the educational process. In such cases, the necessary notice shall follow as soon as practicable.
3. Any suspension shall be reported immediately to the student's parent(s)/guardian(s). A follow-up written notice of the suspension shall be forwarded to the parent(s)/guardian(s) informing them of the reasons for the suspension and their right to review the suspension.
4. Documentation of the suspension shall be placed in the student's permanent record.

## **Expulsion Procedures**

1. Before expulsion, the student and parent(s)/guardian(s) shall be provided written notice of the time, place, and purpose of a meeting with the school administrator requesting the appearance of the student and his/her parent(s)/guardian(s) to review the reasons for the expulsion in the presence of the School Board.

2. Upon presentation of the evidence and recommendation for expulsion by the administration, the School Board shall decide whether or not to expel the student.

**AGGRESSIVE BEHAVIOR**

The Unity Christian School Board of Education has determined that a safe school environment facilitates learning. Accordingly, it is the policy of this Board of Education that aggressive

behavior of students of the school shall not be permitted.

Aggressive behavior is defined as:

Any behavior that may cause physical or emotional harm to someone else and/or urging other students to engage in such conduct. Prohibited aggressive behavior includes, without limitations, the use of violence, force, noise, coercion, threats, intimidation, fear-bullying, or other comparable conduct.

The main types of aggressive behaviors are:

- Physical (hitting, shoving, kicking, grabbing, spitting, etc.)
- Verbal (name calling, racist remarks, etc.)
- Indirect (spreading rumors, wearing or possessing items depicting or implying hatred or prejudice, etc.)
- Harassment (verbal, sexual, touching, rubbing, groping, etc.)

Grounds for disciplinary action apply whenever the student's prohibited aggressive behavior is reasonably related to school or school activities, including, but not limited to:

- On school grounds before, during, or after school hours or at any other time when the school is being used for a school group.
- Off school grounds at a school-sponsored activity, or event, or any activity or event which bears a reasonable relationship to school.
- Traveling to or from school/school activity, function or event.
- Anywhere, if the aggressive behavior may be reasonably be considered to be a threat or an attempted intimidation of a student, visitor, or staff member or an interference with school purposes or an educational function.

Students who are victims of aggressive behavior, as stated in this policy, at any time by anyone are encouraged to notify any school employee who in turn, reports the alleged incident to the school principal.

When there is substantial evidence of violation of this policy, the administration and/or Board shall take appropriate action that may include expulsion, suspension, detention, police contact and report, warning, and/or such other disciplinary action as may be warranted.

### **BULLYING, INTIMIDATION, AND HARASSMENT POLICY**

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important goals of the Unity Christian School Board of Education and administration. In accordance with the provisions of the Illinois School Code Section 5/27-23.7, it is the policy of this Board of Education that bullying, intimidation, and/or harassment of students of the school shall not be permitted.

Bullying includes cyber-bullying and means any severe or pervasive physical or verbal act or

conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

*Cyber-bullying* means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. *Cyber-bullying* includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of *bullying*. *Cyber-bullying* also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of *bullying*.

*Bullying* is prohibited and grounds for disciplinary action that apply in each of following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, or buses or other vehicles, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a non-school-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased or used by UCS if the bullying causes a substantial disruption to the educational process or orderly operation of the school. This paragraph applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any non-school-related activity, function, or program.

Students who are victims of bullying, intimidation, or harassment as stated in the policy, at any time, by anyone are encouraged to notify any school employee (orally or in writing) who in turn, will report the alleged incident to the school administrator.

**All reports will be investigated by the school administrator, When there is substantial evidence of violation of the this policy, the administration and/or Board shall take**

**appropriate action that may include expulsion, suspension, probation from school, detention, police contact and report, warning, and/or such other disciplinary action as may be warranted.**

If the parent/guardian cannot be reached by phone or otherwise and is unable to address the violation immediately, the student will be sent to a designated area to complete schoolwork for the remainder of the day.

At the end of a regular school day, a letter will be sent home with the student stating the violation.

Second and third violations of the dress code will result in disciplinary action including suspension, as deemed appropriate by administration.

### ARTICLES PROHIBITED IN SCHOOL

**Students are not to bring Toys, Games, Gadgets and Electronic Devices to school without consent of their teacher.**

- Cell phone usage from 7:00 am – 3:30 pm is prohibited. If a student brings their phone to school it needs to be turned off and put in their backpack during morning care and while in the gym. After students get into the classroom, the phone should be turned into the homeroom teacher upon entering the classroom. If students use or have in their possession a cell phone during school hours, the phone will be taken from them. Use of cell phone during aftercare is at the aftercare supervisor's discretion.
- First offense: Parent will be notified and may retrieve the cell phone from the principal's office.

### **FIRE AND CIVIL DEFENSE**

During the school year, fire drills, tornado drills, and/or earthquake drills will be staged. Signals and directions for these drills will be posted in each classroom.

### **GRADING SYSTEM**

There are four grading periods per school year with each quarter running approximately nine weeks in length. Report cards are issued at the end of each grading period.

Grades will be made up of major tests, quizzes, and homework.

#### **Average For End-Of-The-Year**

1<sup>st</sup> - 8<sup>th</sup> grade grades are figured on a quarterly basis. Students are expected to maintain a C- average. Failure to maintain a C- could result in academic probation. Complete details of the academic probation policy is available in the school office.

#### **Honors**

Unity Christian School recognizes students for end-of-year honors beginning in the 3<sup>rd</sup> grade. Students must be enrolled in at least one (1) semester at UCS to be considered for end-of-the-year honors. The following honors will be a cumulative average of the four quarters or two semester grades.

## **CURRICULUM**

Unity Christian School implements and instructs the Bob Jones University (BJU) Press curriculum.

Teachers will also compliment the BJU Curriculum with enrichment from other resources.

The UCS Curriculum consists of Bible, Math, all areas of Language Arts, Science, Social Studies/Heritage Studies, Health and Physical Education, Spanish, Art, Music, and Technology.

## **UNITY CHRISTIAN SCHOOL RETENTION AND PROMOTION POLICY**

Unity Christian School students should be well prepared to meet the rigor and challenge of a new grade level as they progress through the school years. Promotion to a new grade level is an accomplishment for a student because promotion demonstrates that the student has learned the requisite skills and knowledge and is prepared for the next challenge. It is the policy of Unity Christian School that each student successfully completes existing course work and acquires the skills and competencies as required before that student is promoted to the next grade level.

Decisions on promotion, retention, and placement of students shall be made in the best interest of the student after consideration of known factors. These factors include student grades, student performance on Students' Criterion Referenced Tests, student attendance, teacher recommendations, and student's social and emotional maturity and age.

**Kindergarten:** Kindergarten students must be firm on their letters, sounds, and numbers. They must also be ready for the challenges of first grade. Teacher recommendation will also be important in order to determine promotion or retention.

**1st and 2nd Grades:** Students may not fail two or more of the following subjects for the academic year: reading, mathematics, and language.

**3rd through 8th Grades:** Students may not fail two or more core curriculum subjects for the academic year: math, science, social studies, language arts and reading. (*All four quarters will be averaged together to determine retention.*) 8th grade students may also be required to meet state requirements such as passing the Constitution Test and State of Illinois History Exam.

No student records, transcripts, nor diplomas will be issued until all monetary obligations are

fulfilled.

## **HOMEWORK**

Homework assignments are given to aid in the overall academic learning process of a student. Discretion is used on the part of the classroom teacher in determining the amount of homework a student is given. We do request the parent's full cooperation in seeing that assignments are completed and turned in on time.

Repeated, delinquent homework could result in the expulsion of a student from UCS.

### **Homework Guidelines**

1. Assignments must be complete, on time, and written properly. The only acceptable excuse for not completing homework is the student's illness or a written note from a parent or guardian stating an emergency which prevented homework from being done.
2. Teachers will set a deadline for making up work (usually the number of days absent). Work not completed by the deadline set by the teacher will result in a zero (0).
3. Teachers may have students copy homework over if it is written poorly or in ink or pencil when the other has been required.
4. Students may be kept in at recess or lose break time to do make-up work.
5. Quizzes, announced or unannounced, may be given on material assigned to be read as homework.
6. It is the responsibility of the student to obtain homework assignments and complete make-up work when absent.

### **Consequences for Failure to Do Homework**

A conference with parents will be scheduled, a detention, and/or failure of class or subject may be implemented.

## **LOST AND FOUND**

Students are encouraged to be responsible for all personal belongings, textbooks, and school materials. Lockers are provided for secondary students to help aid in keeping up with belongings. Elementary students have desks available for book storage.

Lost and found articles are to be turned in to the school office. These items may be claimed by the student after identification and proof of ownership.

Most articles not claimed within a reasonable time will be discarded with the exception of textbooks. Textbooks not reclaimed after a reasonable amount of time will be returned to the financial office for resale.

Students are encouraged to label personal belongings with their names, including textbooks.

## **LUNCHROOM**

Parents are urged to provide a nutritious, well-balanced lunch for their child. Diet strongly affects the over-all performance of the student. Students may bring their lunch from home or purchase one from the school lunchroom. If you are sending a lunch with your child, please include an icepack for cold items or a hot pack for hot items as the lunchroom is unable to cook or warm frozen or pre-packaged foods or warm-ups.

School lunches, which includes milk, are available and may be purchased. The price of school lunches will be set at the beginning of each school year.

It is the responsibility of parents to provide a lunch for their child, whether a lunch is brought from home or purchased at school.

Some students have an early morning snack break and a lunch period. A lunch menu (published each month) and price list is made available at the beginning of each school year to all students. Students are made aware of any changes in either of the lists during the course of the year.

### **Morning Break/Recess**

Pre-K and K5 will have a snack provided each day. A monthly snack fee will be assessed to the student's account.

### **Lunchroom Procedures**

Students are to eat in the designated area of the lunchroom only. Food is not to be eaten in the hallways or classrooms without specific teacher approval and supervision.

Students are expected to behave in an orderly fashion while eating lunch. Table manners should be used at all times.

Students are to clear their place at the table and throw all litter away. Designated students may be assigned the responsibility of cleaning the tables for each grade at the end of the lunch hour.

No trash is to be left on the tables or floor when a class has finished their lunch period.

## **MEDICAL POLICY**

### **PHYSICALS AND IMMUNIZATIONS**

Physical examinations and immunizations as required by the Department of Public Health shall be required of all pupils attending UCS as specified in Article 27-8.1 of the School Code of Illinois. Such examinations and proof of immunizations shall be completed prior to entrance into kindergarten and sixth grade or into any grade if the student is entering Illinois schools for the first time. The examination shall verify that the child has been immunized against the diseases required by law before entrance into school.

If a student does not comply with the requirements of this policy by October 15 of the current school year, such student may be excluded from school until valid proof of having received the required health examination and immunizations is presented to the school.

Such examination or immunizations shall not be required for children whose parents or legal guardians object on religious grounds and present a signed statement detailing grounds for objection; and those whose physical condition is such that immunization agents should not be administered and examining physician endorses this fact upon the health examination form and by a signed statement for the child's records.

### **BIRTH CERTIFICATE**

A copy of a student's legal birth certificate is required at the time of enrollment at UCS. This document will be kept permanently in said student's cumulative folder for the duration of his/her education at UCS. A hospital certificate is not valid and is not acceptable. A legal birth certificate must be submitted.

### **MEDICATIONS**

Unity Christian School recognizes that the administration of medication to students during the school day is sometimes deemed necessary. However, according to the Illinois School Code, 10-22.21b, it shall be the policy of UCS that teachers and other non-administrative personnel employed by UCS cannot be required to administer medication to students. This is the responsibility of the parents.

No non-prescription or over-the-counter medications (Tylenol, cough syrup, eye drops, etc.) will be dispensed by any faculty or staff member or administrator at Unity Christian School without prior parent authorization.

All student medications brought to school must be left in the school office for the duration of the school day. A student must come to the office to administer his/her own medication. Medications must be accompanied by a signed note from a parent or guardian indicating the time and dosage for said child to take the medication. It will be the responsibility of the student to pick the medication up at the end of the school day.

### **HEARING AND VISION**

Per ISBE ruling effective January 1, 2008:

Public Act 95-671 requires that all children enrolling in kindergarten in a public, private or parochial school and any student enrolling for the first time in a public, private, or parochial school shall have an eye examination. Each child is to present proof of having been examined by a physician licensed to practice medicine in all its branches or a licensed optometrist within the previous year before October 15 of the school year.

### **DENTAL SCREENING**

The Illinois State Board of Education now requires that all students entering Kindergarten, 2<sup>nd</sup> grade, and 6<sup>th</sup> grade must now have a dental exam by a licensed dentist. The dental form must be filled out by the dentist and turned in to the office by October 15 of the school year (exam must have been completed within the last 6 months).

### **EYE EXAMINATION**

The Illinois State Board of Education now requires that all students entering Kindergarten must have a vision screening by a licensed optometrist. The eye exam form must be filled out by the Optometrist and turned in to the office by October 15 of the school year.

### **SPEECH THERAPY**

Please contact school administration if your child needs these services.

The Williamson County Special Education Co-op currently provides speech therapy on-site for UCS students needing services.

### **EMERGENCY MEDICAL ATTENTION**

If and when a student needs emergency medical attention during the school year, the administration, secretary, and/or teacher in charge will notify the parents. All efforts possible will be made to seek and administer medical attention deemed necessary for the welfare and safety of the student.

**LICE - HEAD OR BODY**

Students who are found to have head or body lice shall be excluded from school as soon as reasonably practicable.

Students who have been excluded from school because of head or body lice will not be readmitted until all evidence of nits, either dead or alive are gone.

**ILLNESS**

Students dismissed from class due to illness are to report to the school office. The student's illness will be assessed and if the student registers a fever of over 100.0 the parent or guardian will be notified to pick up the child. Please do not send your child to school if they have had a fever of 100.0 or higher during the past 72 hours or are showing signs of contagious illness.

Injured students are brought or sent to the office. If an injury is such that the pupil cannot be moved, the office will be notified and emergency procedures will be followed. In the case of an injury that may require a doctor's attention, parents will be notified to pick up their child. For questionable injuries, parents will be notified as to what they want to do concerning their child.

**PARENT/TEACHER CONFERENCES**

A formal parent/teacher conference is held for each student around the first quarter grading period. Parents are expected to attend. Parents of students making grades of "D" and/or "F" may be required to attend a parent/teacher conference each grading period thereafter.

The majority of the middle school conferences will be conducted with a panel of all the teachers together. The teachers or administration will schedule a parent/teacher conference with the parents of any new students, students with academic or behavioral concerns. All parents of middle school students are not required to conference with this panel due to scheduling limitations. If parents are not contacted and would like a conference, they may contact their student's homeroom teacher or whomever they need to meet with to discuss any factors that are specifically interfering with their child's learning and growth.

Other conferences throughout the school year may be arranged by parents and/or teachers as seems desirable. Parents may call the school office to arrange a conference with a teacher. All efforts possible will be made to arrange a conference convenient for the parent. However, due to teacher schedules, consideration should be made concerning spur of the moment conference requests.

## REPORT CARDS AND SYCAMORE

### Report Cards

**Report cards** are issued at the end of each quarter grading period to inform parents and/or guardians of a student's academic progress.

Should there be a question concerning a child's grades, please notify the school office.

There is a \$5.00 charge to replace a lost and/or damaged report card for PreK3-K5 students.

### Sycamore

Student's grades are regularly posted on Sycamore, our online grading system. When a student enrolls parents will be given a family code and each student assigned a student number. You can access your child's grades at any time by logging on to the Sycamore Education website. Parents are encouraged to check their child's progress on a regular basis and contact the teacher if any questions arise.

Any and all information, permission slips, and forms relating to individual sports will be provided for those students who participate.

To assist with athletic costs, a \$40 fee will be assessed per student for each sport that he/she chooses to participate in during a given school year.

**Eligibility for Extra-Curricular Athletics & Activities**

Written permission must be given by the parent or guardian for the student's participation in the sports program, giving full waiver of responsibility for risks involved.

Academic standards (2.0 – C Average with no F's), must be maintained according to the Unity Christian Athlete Handbook to participate in an extra-curricular activity whether the activity be conference or non-conference in nature. The administration shall maintain the necessary records to ensure student compliance with this policy.

A sports physical is required for any student participating in sports. A physical must be on file before the start of any athletic activity, including practices.

**Sportsmanship Code and Ethics**

Good sportsmanship is more a question of attitude, not of rules. The attitude of spectators should be one of loyal encouragement of their own team, courtesy to all, and enthusiastic approval of good work done by officials. The Christian spirit of courtesy and fair play should be displayed by spectators, as well as players.

Any person, including adults, who behaves in an unsportsmanlike manner before, during, and after an athletic or extra-curricular event may be ejected from the event the person is attending and/or denied admission to school events for a specified time to be determined by School Administration.

### **Attendance Qualifications for Sports**

Students participating in sports must be in attendance at least 1/2 day on the day of a contest or practice to be eligible, unless authorized by the Athletic Director and/or the Administration. Any exception such as medical appointments, dental appointments, and funerals may be approved by the Athletic Director or Administration. Any missed class work should be made up immediately after returning to class.

### **FIELD TRIPS AND OUTINGS**

Several times during the course of the school year local field trips and/or overnight field trips are planned for students at UCS. Many of these activities are for educational purposes and students usually earn the privilege to go. **At the teacher's discretion, students are required to wear a solid red polo, red T-shirt or red UCS apparel on field trip days to assist with group identification.**

Parents are asked to sign an "Annual Field Trip Permission Slip" at the beginning of each school year for each student. Failure to return the form by the requested time will result in the student not being allowed to attend field trips. All field trips and forms of transportation will be communicated to parents at least one week in advance of the trip. Two means of communication will be used and may include a note home, e-mail, phone call, or school phone messaging system.

In the event a group from UCS goes on an extended or out-of-state field trip, a "Field Trip Permission Form" will be sent home for the parent to complete and have notarized. Failure of the student to return the form could result in the student not attending the event. Verbal permission will not be allowed for these types field trips.

The School reserves the right to exclude students from field trips if the student's record of behavior at school indicates that the student might pose a potential threat to the educational benefit of the trip for other students or might threaten the welfare of others. A student may also be excluded from a field trip when it is determined by the classroom teacher. The student remaining at school will be under supervision to complete unfinished homework and other assignments. The exclusion of a student from a field trip does not comprise an excused absence from school.

Parents who volunteer to drive on field trips should obtain the **Field Trip Driver policy** from the school office and complete the required forms.

## **STUDENT INSURANCE**

Accidental/Medical insurance coverage is required for all students enrolled at UCS. All students will automatically be enrolled in the blanket student accident policy at UCS and will be charged the appropriate fee.

School-Time Insurance provides coverage for a student injury that might occur on the school grounds, and at any school sponsored activity.

## **ELECTRONICS, TOYS, GAMES AND GADGETS**

## **TECHNOLOGY USAGE**

Computers, I-pads, Chromebook, etc. are all property of UCS and should be used for school assignments only. UCS has the ability to create accounts for all students to allow for collaborative sharing using Google Apps for Education Domain, ucswarriors.com. General uses for the Google account for your student include, but are not limited to: email account for on-going communication with teachers, access to programs and web tools that require an email account, Google drive which allows students to access and share files. Students will be assigned an ucswarriors.com account to be used as long as the student is enrolled at UCS. Access to and use of Google Apps is a privilege. Misuse of any technology equipment and school accounts could result in termination of use. The school maintains the right to immediately withdraw access and use if there is reason to believe that violations of law or school policies have occurred. In such cases, the alleged violation will be referred to the Principal for further investigation and application of necessary consequences.

## **TESTING**

The Fast Bridges Assessments for Reading and Math will be taken by all students in grades K5-8. The assessments will be taken three (3) times during the school year. The assessments will be

administered by the technology and/or classroom teacher. The scores are placed in the student's permanent folder in the school office. Parents are welcome to see the test scores by appointment at the school office and may also have a copy for their own records. The National Assessment of Educational Progress (NAEP) will be administered to the 4<sup>th</sup> grade and 8<sup>th</sup> grade students when applicable.

### **TEXTBOOKS**

Students make the school building and grounds their home seven hours per day, nine months of each year. Accordingly, they are encouraged to help make the school facilities appear as attractive as possible by not defacing or littering school property. Students will be penalized for losing and/or stealing school property.

Any school property (window, desks, etc.) carelessly broken and /or damaged by a student is to be paid for by the student(s) involved. The same holds true for neighbor's property and/or personal belongings.

#### **Students are urged to help take care of UCS in the following ways:**

3. Any books or materials lost or damaged must be paid for at a fair cost as determined by the

financial office.

4. Any student caught stealing at school must make restitution of the item(s) of which he/she has been charged. Legal charges, in most instances, will be filed by the school.

### **NON-DISCRIMINATORY POLICY**

Unity Christian School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

### **STUDENT LIFESTYLE POLICY**

Unity Christian School is a religious institution providing an education in a distinct Christian environment, and it believes that its biblical role is to work in conjunction with the home to mold students to be Christ-like. On those occasions in which the atmosphere or conduct within a particular home is counter to or in opposition to the biblical lifestyle the school teaches, the school

reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student. This includes, but is not necessarily limited to, living in, condoning, or supporting sexual immorality; practicing homosexual lifestyle or alternative gender identity; promoting such practices; or otherwise having the inability to support the moral principles of the school (Leviticus 20:13a, Romans 1:27, Matthew 19:4-6).

### **SUICIDE POLICY**

Protecting the health and well-being of all students is of utmost importance to Unity Christian School. The school board has adopted a suicide prevention policy which will help to protect all students through the following steps:

- Middle school students will learn about recognizing and responding to warning signs of suicide in friends, using coping skills, support systems, and seeking help for themselves and friends. This content will occur in chapel as bullying is addressed and/or in health classes throughout the school year, not just in response to a suicide, and the encouragement of help-seeking behavior will be promoted at all levels of the school leadership.
- The principal and/or spiritual overseers of the school will serve as designated suicide prevention coordinators to serve as a point of contact for students in crisis, will help

provide counseling and make appropriate referrals to other resources if necessary supports are beyond the capacity of school personnel.

- If /when a student is identified as being at-risk, a risk assessment will be completed by a trained school staff member(s) who will work with the student and help connect the student to appropriate local resources. Students and parents will have access to national resources that they can contact for additional support, such as the ones listed below.

All school personnel and students will be expected to help create a school culture of respect and support, in which students feel comfortable seeking help for themselves or friends. Students are encouraged to tell any staff member if they or a friend are feeling suicidal, or are in need of help. While confidentiality and privacy are important, students should know that when there is risk of suicide, safety comes first. For a more detailed review of this subject matter please refer to the Illinois Youth Suicide Prevention Toolkit on line or request a copy from the school office.

## **BEHAVIORAL THREAT ASSESSMENT POLICY**

Unity Christian School is committed to developing and maintaining a safe and secure working environment for all students and staff. A proactive approach to high risk and threat related behavior of a student, staff or others is critical for the provision of safe and secure learning, teaching and working environments. It is important for all parties to engage in the School Behavioral Threat Assessment process. However, if for some reason there is a reluctance to participate in the process by the threat maker(s), the threat assessment process will continue in order to ensure a safe and caring learning environment for all. We will cooperate and communicate with the law enforcement, EMS, ROE, and fire department personnel to effectively assess all potential threats. The school’s Emergency and Crisis Response Plan is on file in the office.

## **THREAT ASSESSMENT PROCESS**

Providing a safe and healthy climate for learning is the core mission for Unity Christian School. The goal of the behavioral threat assessment process would be for the school board, principal, spiritual overseers, teachers and staff to work together to help identify behaviors, intervene and provide help to students, staff or others before it turns into violence. In situations where a threat of violence has been made or is imminent, school officials will immediately contact local law enforcement for assistance in determining if the threat is credible and/or police intervention. A proactive approach to high risk and threat related behavior of students, staff or others is critical for the provision of a safe and secure learning, teaching and working environments. It is important for all parties to engage in the School Behavioral Threat Assessment process. However, if for some reason there is a reluctance to participate in the process by the threat maker(s), the threat assessment process will continue in order to ensure a safe and caring learning environment for all.

- Information Sharing Between School and Law Enforcement – UCS will work to communicate very closely with the local law enforcement agencies to share pertinent information to ensure law enforcement is aware of any potential danger or threats.
- Information Sharing Between Schools – We will contact a transferring student’s previous school to obtain school records this includes student discipline records, inquiry about any potential behavioral threat concerns about the student. These concerns may include direct knowledge of the transferring student in regards to social and emotional issues that rose to the level of engagement of an official screener or risk assessment.
- Student Reporting of Threats – Student have a voice and often times know the behaviors of their peers. Students are encouraged to report unusual behaviors and identify situations before they turn into serious incidents.
- Priority List for Hardening of School Facilities – Include but not limited to locking all exterior doors, having effective properly functioning locks, no propping of any doors, all exterior windows intact and with functioning locks, keep windows locked, main door have video/audio intercom, remote buzzer door strike, signage on all exterior doors, and windows identified with room number. Other signage could include: no trespassing, all visitors to main entrance, this area under surveillance, etc.
- Violence Response and Active Shooter Drills – Staff will participate with local law enforcement in an active shooter drill within the first 90 days of the beginning of a new school year.
- Fire Drills – Fire drills will be scheduled and the schedule will be shared in advance with staff and authorized persons. Fire Department personnel will be present to monitor at minimum one or the three drills.

There is no single solution to school safety, but we believe that these guidelines along with other safety measures we have in place can go a long way toward creating and preserving a safe and healthy learning environment.

### **Employee Code of Professional Conduct Policy**

This policy addresses all required elements specified in 105 ILCS 5/22-85.5 as it pertains to sexual misconduct in schools.

The success of students in school relies on safe learning environments and healthy relationships with school personnel. It is important for staff to maintain a professional relationship with students at all times and to define staff-student boundaries to protect students from sexual misconduct by staff and staff from the appearance of indecency. Many breaches of staff-student boundaries do not rise to the level of criminal behavior but do pose a potential risk to student safety. Repeated violations of staff-student boundaries can indicate the grooming of a student for sexual abuse. Unity Christian School will uphold to the State Board of Education's Code of Ethics for Illinois Educators and Employees. We have the ability to discipline educators for breach of this employee code of professional conduct policy. We have the ability to know if any of our employees have violated professional staff-student boundaries in previous employment. Applicants will be required to complete the ISBE Sexual Misconduct Disclosure Template. The law requires that we conduct a sexual misconduct background check on certain applicants for hire. Staff will be adequately trained on sexual abuse, the employee code of professional conduct policy, and federal and state reporting requirements.

To prevent sexual misconduct with students, we have developed this Employee Code of Professional Conduct Policy that addresses all of the following:

- (1) Incorporates the Code of Ethics for Illinois Educators (see this link - [Illinois Educator Code of Ethics \(isbe.net\)](http://isbe.net))
- (2) Incorporates the definition of "sexual misconduct" which means any act, including, but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by an employee of the school with direct contact with a student that is directed toward or with a student to establish a romantic or sexual relationship with the student. Such an act includes, but is not limited to, any of the following: a sexual or romantic invitation, dating or soliciting a date, engaging in sexualized or romantic dialog, making sexually suggestive comments that are directed toward or with a student, self-disclosure or physical exposure of a sexual, romantic, or erotic nature, sexual, indecent, romantic, or erotic contact with the student.
- (3) Employees are expected to maintain a professional relationship with students at all times.
- (4) Employees are required have training that is related to child abuse and educator ethics that are applicable under state and federal law. Training will be conducted through public works training site.
- (5) The school will notify the parents or guardians of enrolled students of the availability of the Sexual Abuse Response and Prevention Resource Guide.
- (6) The school will provide notice to the parents or guardians of an enrolled student with whom an employee of the school, agent of the school, or contractor of the school is alleged to have engaged in sexual misconduct.

A violation of the employee code of professional conduct policy may subject an employee to disciplinary action up to and including dismissal from employment. Failure to report a violation of the employee code of professional conduct policy may subject an employee to disciplinary action up to and including dismissal from employment. **Employees are required to read this link for further guidance on Faith's Law and Sexual Abuse Response and Prevention Resource Guide.**

## CONCUSSION MANAGEMENT POLICY

### Concussion Oversight Team

Athletic Director

Principal

Office Manager

### Concussion Management

Concussion injuries will be appropriately managed by Primary Care Physicians and the school athletic director. Concussion management ideally includes rest until all symptoms resolve and then implementing a graded program of exertion before returning to sport.

### When a player shows ANY symptoms or signs of a concussion

1. The player will not be allowed to return to play the same day.
2. The player will not be left alone; and serial monitoring for deterioration will be essential over the initial few hours following injury.
3. The player will be medically evaluated following injury with the use of the The Standardized Assessment of Concussion, or similar exam on the sideline, MD office or Athletic Training Room.
4. Return to participation must follow a medically supervised stepwise process. (see RTP protocol)
5. A Concussion information handout will be given to the athlete, parent/guardian or friend of the athlete who is taking care of them.

### Return to Participation (RTP) Protocol

Activities that require concentration and attention may exacerbate the symptoms and as a result delay recovery. Therefore, during the period of recovery, following injury, it is important to emphasize to the athlete that physical AND cognitive rest is required.

The return to participation following a concussion follows a stepwise process:

1. No activity, complete rest. Once asymptomatic, proceed to levels using the **Following:**
  - a. Light aerobic exercise such as walking, or stationary cycling, no resistance training.
  - b. Sport specific exercise (skating in hockey, running in soccer, etc.) progressive addition of resistance training at steps b or c.
  - c. Non-contact training drills.
  - d. Full contact training and or exertional testing after medical clearance.
  - e. Game play.

With this stepwise progression, the athlete will continue to proceed to the next level if asymptomatic at the current level. If any post-concussion symptoms occur, the patient will drop back to the previous asymptomatic level and try to progress again after 24 hours. RTP process will be monitored by Primary

Care Physicians and the school athletic director.

**This concussion management, RTP protocol will be followed despite the athlete presenting a prescription note to return to play sooner from their Emergency room.** If the athlete presents a prescription from their primary care physician for the appropriate time frame in regards to return to participation, then the exertional progressive steps will be followed by the school athletic director using the RTP protocol.

### **Return to Learn (RTL) Protocol**

To initiate the Return-to-Learn protocol, the student must be evaluated by a licensed healthcare professional and documentation must be provided to the school.

1. The protocol emphasizes allowing the student to participate in school in a modified fashion so as not to worsen symptoms. Determining “how much is too much” may be a trial and error process.
2. The student should be granted adequate time to complete missed academic work based on the amount of time needed for complete recovery.
3. The student should report to the case manager daily in order to monitor symptoms and assess how the student is tolerating the accommodations (a symptom checklist is recommended), as well as assess how staff are implementing the modified learning plan.
4. As the student’s recovery progresses through the outlined phases, teachers should be prepared to apply “mastery learning” criteria within their subject matter. By identifying essential academic work, teachers can facilitate recovery by reducing the student’s anxiety levels related to perceived volume of work that will be required once he/she is medically cleared to resume a full academic load.

## **ADMINISTERING MEDICINES POLICY**

### **Administering Medicines to Students**

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child. No UCS employee shall administer to any student or supervise a student's self-administration of any prescription or non-prescription medication until a completed and signed School Medication Authorization Form (SMA Form) is submitted by the student's parent/guardian. No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

The Principal shall include this policy in the Student Handbook and shall provide a copy to the parents/guardians of students.

### **Self-Administration of Medication**

A student may possess and self-administer an epinephrine injector, e.g., EpiPen®, and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed an SMA Form. The Office Manager or designee will ensure an Emergency Action Plan is developed for each self-administering student.

A student may self-administer medication required under a qualifying plan, provided the student's parent/guardian has completed and signed an SMA Form. A qualifying plan means: (1) an asthma action plan, (2) an Individual Health Care Action Plan, (3) Food Allergy Emergency Action Plan and Treatment Authorization Form, (4) a plan pursuant to Section 504 of the federal Rehabilitation Act of 1973, or (5) a plan pursuant to the federal Individuals with Disabilities Education Act.

The District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication, including asthma medication or epinephrine injectors or medication required under a qualifying plan. A student's parent/guardian must indemnify and hold harmless the school and its employees and agents against any claims, except a claim based on willful and wanton conduct arising out of a student's self-administration of an epinephrine injector, asthma medication, and/or medication required under a qualifying plan.

The Principal or designee shall implement 105 ILCS 5/22-30(f) and maintain a supply of undesignated opioid antagonists in the name of UCS and provide or administer them as necessary according to State law. Opioid antagonist means a drug that binds to opioid receptors and blocks or inhibits the effect of opioids acting on those receptors, including, but not limited to, naloxone hydrochloride or any other similarly acting drug approved by the U.S. Food and Drug Administration.

Undesignated opioid antagonist is not defined by the School Code; for purposes of this policy it means an opioid antagonist prescribed in the name of UCSs. A trained personnel, as defined in State law, may administer an undesignated opioid antagonist to a person when they, in good faith, believe a person is having an opioid overdose. The Principal and/or Office Manager shall maintain the names of trained personnel who have received a statement of certification pursuant to State law. See the website for the Ill.
